

2nd Grade Summer Reading Project

Directions: Read *five* books during the summer. Select *one* of the books you read and complete one activity throughout the summer.

Reading Activities

Select one activity for the book you choose.

1. Make a picture timeline of all the events in the book. Write one sentence under each picture describing the event.
2. Make a poster about the book using one or two of the following media: finger-paint, watercolors, crayons, chalk, real materials. The poster must have the title of the book, author, illustrations about the story, at least 2-5 sentences about your story.
3. Beginning-Middle-End. Fold a paper into thirds. Tell how the story begins, what happens in the middle and how it ends. If you would like, you may also draw pictures to tell about the beginning, middle and end.

Summer Tips

- Read for at least 20 minutes every day.
- Keep practicing and memorizing your basic addition and subtraction facts.
